

### Be Transformed!

#### 1. God Has a Plan.

Colossians 1:15-23 reminds us what we learned two weeks ago—that Christ is implementing God's plan of redemption through creation, salvation, and judgment.

- He is supreme in creation v. 16
- He is supreme in salvation v. 20

#### 2. You Were Created for a Noble Purpose.

It also reminds us of what we learned last week—that we were created for a noble purpose, and we belong to the Lord.

- He is head of the church v. 18
- He came to show us the Father v. 19
- He came to solve our sin problem v. 21
- He can make your temple holy v. 22

#### 3. Learn to Think Like Nobility.

Romans 8:1-11 teaches us how begin the renewal process—how to recognize the wrong kind of thinking. We were once enemies in our minds, and so our minds were set on:

- Natural desires v. 5
- Death v. 6
- Hostility to God v. 7
- Inability to please God v. 8

Conclusion: We worship a **God of love**. He wants you to renew your mind so you will feel loved and think of Him as your loving Father, not an enemy.
